## PRODUCT DESCRIPTION

Today's barista strives to achieve the perfect coffee, consistently with every shot.

As the coffee industry evolves, we are introduced to endless tools to help achieve that perfect brew.

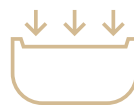

Every part of the coffee making process is critical. We have state of the art grinders for the perfect grind, scales for perfect weight and now, the T-100 Auto Press for the perfect tamp.

The Auto Press is engineered to apply consistent pressure and a perfectly level tamp every time.

The best baristas are now demanding the Auto Press as they acknowledge the importance of a consistent tamp.

**PERFECTLY LEVEL**  
AUTO PRESS ALWAYS  
TAMPS PERFECTLY LEVEL.

**TAKE CONTROL**  
CONTROL THE IDEAL PRESSURE FOR  
YOUR IDEAL CUP OF ESPRESSO

**CONSTANT PRESSURE**  
YOUR PRESSURE IS ALWAYS CONSTANT,  
NO MATTER THE COFFEE DOSE.
