

INTERESTED IN ENJOYING UP TO 1200 CUPS OF FREE GREAT QUALITY COFFEE?

Meet Cafitesse, a unique total coffee concept that delivers high quality coffee with one touch of a button.

Simply. Cost-efficiently. Hygienically. Time after time.

Cafitesse is:

- A closed system, developed according to HACCP guidelines thus meeting high hygiene standards
- Offers a range of coffee solutions that enable you to serve high quality coffee in every occasion where demand is high.
- Proudly committed to its reduced environmental footprint from a waste and energy efficiency point of view.
- Cafitesse is the perfect blend of taste, variety, ease, reliability, hygiene and cost-efficiency.

So in order for you to put our *unique* coffee solution to the test, we have a *unique* offer especially for you!

1. Contact your local JDE Rep for a site inspection and to discuss which machine would be most suited to your business needs
2. Once agreed, sign up for a 4 week trial with a JDE Representative
3. JDE arrange and install your trial machine and deliver your FREE coffee
4. Following the 4 week trial period, choose to keep the machine for free* or request for the machine to be collected with no further obligations

*Offer subject to meeting qualifying criteria and a minimum contract period of 24 months post free trial.

Please contact us to organise your free coffee trial now!
