

KREA

KREA

KREA: A GREAT DEBUT

Krea is the ideal solution for small/medium hotels and completes the Necta portfolio of breakfast solutions. This new model in the table top sector is recognised by its appealing design and appreciated for its high-level capacity and technological performance.

The modern and elegant design is enriched by LED lights, chromium-plated push-buttons and frame surrounding the selection area and elegant side graphic panels. This represents one of Krea's many features, together with the fact that the coffee hopper and waste container capacity's are perfectly balanced, to guarantee the highest level of operational efficiency.

USER INTERFACE

- 10 direct selection pushbuttons
- Graphic display 128 x 64 pixel
- LED lighting of the user interface area with possibility to change the light color
- LED lighting of the cup station

TECHNICAL INNOVATIONS

Krea is the first table top Necta model which uses latest technical innovations for drink preparation, such as:

- Z4000 Coffee unit (up to 15 gr in the infusion chamber)
- Compact espresso boiler with 600 cc capacity
- New Freemix instant technology
- Dosers and mixers with programmable speed
- New single powder canisters with capacity of 1 litre and 1.9 litre

ELECTRONICS

- Advanced 16 bit electronics with 4 MB flash memory
- Possibility to create or modify the set-up through GIGA
- Advanced implementation of MDB protocol

ACCESSORIES

- Cabinet versions: unequipped, equipped, prearranged for changeover
- Water tank kit
- Cup sensor
